Sri J. MOHAMED IMAM.—I presume that the list of questions tabled are all over.

Mr. SPEAKER.—There are some more questions.

Sri Kadidal MANJAPPA.—Very few, I believe, Sir. We have answered 95 per cent.

Sri A. G. RAMACHANDRA RAO.—Figures may be given, Sir.

Mr. SPEAKER.—I will furnish the figures after lunch.

Shall we now go on with such Bills which will not take much time ? I think there are four or five Bills. They may be over within twenty minutes.

MYSORE MINISTERS' SALARIES AND ALLOWANCES (AMENDMENT) BILL, 1953.

Amendments made in the Legislative Council.

Motion to consider.

Sri A. G. RAMACHANDRA RAO (Minister for Law and Education).—Sir, I beg to move :

"That the amendments made to the Mysore Ministers' Salaries and Allowances (Amendment) Bill, 1953, by the Legislative Council be taken into consideration."

Sir, I wish to say only a few words on this Bill. In view of the impending abolition of the first class in the trains from the 1st of October, a modification was proposed and it was accepted in the House that a mileage of two annas might be given along with the highest class travel. It was considered by the Legislative Council and on calculation it was found that three annas would be equitable. This will not involve extra heavier charges than what it is, and certainly will not exceed the Budget estimates. Therefore, I submit that this Bill may be taken into consideration.

Mr. SPEAKER.—Motion moved.

"That the amendments made to the Mysore Ministers' Salaries and Allowances (Amendment) Bill, 1953, by the Legislative Council be taken into consideration."

Sri M. V. RAMA RAO (Tumkur).—Will the Hon'ble Minister kindly explain to this House the effect of the amendment that has been made in the Legislative Council and why Government have agreed to have that amendment made ?

Mr. SPEAKER.—The Hon'ble Minister gave an explanation.
